Waterline: Of Fathers, Sons, and Boats - Joe Soucheray

Studies show that involved fathers have a positive impact on the overall health and well-being of their children, and father-son activities make for enriching bonding experiences for parent and child alike. Choosing age-appropriate activities makes all the difference in the depth and breadth of the bonding that can occur as a result. Discovering a father's and son's shared interests is the first step in planning enriching activities that both will remember for years to come.
