Dentistry. Advice on dental services and oral health for all dental practitioners and dental care professionals and guidance on workforce planning and contractual arrangements

Home | Department of Health

The French health care system is one of universal health care largely financed by government national health insurance. In its 2000 assessment of world health care systems, the World Health Organization found that France provided the "close to best overall health care" in the world. In 2011, France spent 11.6% of GDP on health care, or US\$4,086 ...

Health care in France - Wikipedia

Child care, or otherwise known as daycare, is the care and supervision of a child or multiple children at a time, whose age ranges from six weeks to thirteen years.

Child care - Wikipedia

One of our key priorities is to learn what causes child marriage. As we learn what leads people to marry their daughters (and sons) as children, we can address those causes to stop child marriage.
