Download [PDF] The Oxford Duden Pictorial Thai English

This pictorial dictionary shows pictures which are labeled with numbers and allows you to find out the names of thousands of things, like parts of machines, processes and household items. If you know what something looks like, but have no idea what the word is, this resource is invaluable. I have often recommended this dictionary to deaf people as it works from the visual into the written, rather than the other way round which is the standard way for dictionaries. Some of the sections are a ...
