### **A Handbook of Chinese Ceramics.pdf - scribd.com**

This handsome book is at once a general survey of Chinese ceramics from the early Neolithic period to the present day and an essential reference volume for art historians and connoisseurs. Originally published by The Metropolitan Museum of Art in 1975 as an introduction to its vast collection of Chinese ceramics, the book was highly praised by experts in the field. Over the last decade, however, thanks to accelerated archaeological activity in The People's Republic of China and important ...
