To better understand the importance of fathering in today's society, you have to better comprehend the impact fathers have on their children, the various cultural pathways to fathering, and how interventions with fathers can help them, their families and their children's development.

Fathering: impact of fathers on children | Encyclopedia on

How we think about and understand fathering has changed. Active fathering is now an accepted role for men at home and fathers are visible outside the school gates, in parks and playgrounds and in the streets and shopping centres. Fathers' involvement in child care increased from less than 15 minutes a day in the mid-1970s to three hours ...
