Britain has 80% of northern Europe's most ancient trees and a remarkable array of woodland types, in particular the huge variety of manifestations and combinations of our native species. Our trees are a defining feature of the British landscape and one of the best-loved aspects of our island. Archie Miles has been photographing trees and woodland for over 30 years and, in Britain, has 80% of northern Europe's most ancient trees and a remarkable array of woodland types, in particular the huge ...
