### **Infectious Diseases Society of America**

New Policy - Article Processing Charge 2018-11-09 Since the Mediterranean Journal of Hematology and Infectious Diseases, as all the online publications of PAGEPress, does not apply subscription charges for its research content, it can defray publishing costs from the Article Processing Charges.

### **Mediterranean Journal of Hematology and Infectious Diseases**

Leading research to understand, treat, and prevent infectious, immunologic, and allergic diseases

### **Food Allergy | NIH: National Institute of Allergy and**

Infection is the invasion of an organism's body tissues by disease-causing agents, their multiplication, and the reaction of host tissues to the infectious agents and the toxins they produce.

### **Infection - Wikipedia**

The global burden of lower respiratory infections: making progress, but we need to do better

### **The Lancet Infectious Diseases, November 2018, Volume 18**

The Infectious Diseases programmes draw upon the School's long tradition in the study of clinical and epidemiological aspects of infectious and tropical diseases.

### **Infectious Diseases by Distance Learning | LSHTM**

The National Center for Emerging and Zoonotic Infectious Diseases (NCEZID) works to protect people at home and around the world from emerging and zoonotic infections ranging from A to Z – anthrax to Zika.

### **National Center for Emerging and Zoonotic Infectious**

Infections and infectious diseases are a great burden on many societies, including the countries in the WHO

European region. To reduce that burden an integrated approach is required,

### **Infections and infectious diseases - WHO/Europe**

Eradication is the reduction of an infectious disease's prevalence in the global host population to zero. It is sometimes confused with elimination, which describes either the reduction of an infectious disease's prevalence in a regional population to zero, or the reduction of the global prevalence to a negligible amount.

### **Eradication of infectious diseases - Wikipedia**

Why Is the Study of Tuberculosis a Priority for NIAID? Tuberculosis is the leading infectious cause of death worldwide. In 2017, 10 million people became ill with TB, and 1.6 million people died of TB disease including 230,000 children, according to the World Health Organization.

### **National Institute of Allergy and Infectious Diseases**

This programme will equip students with specialised skills that will facilitate a career in the control of infectious diseases as staff of health ministries, health departments, national or international disease control agencies, aid organisations or universities.

### **MSc Control of Infectious Diseases | LSHTM**

Are you an author who wants to keep tabs on when your article is cited? Are you a researcher who wants to know when articles you are citing or have cited in the past become referenced by newly published papers?

### **Current Opinion in Infectious Diseases**

The Lancet Infectious Diseases is an authoritative forum for key opinion leaders across medicine, government, and health systems to influence clinical practice, explore global policy, and inform constructive, positive change worldwide.
